Subject: Thank you Friends of Downtown Los Angeles!!!

Dear Friends in Downtown:

I wanted to personally send you a note and let you know that July 27th will be my last day as the President of Kinetescape and as the COO of The Edison.

A public announcement will be made this week, but I wanted to be the one to tell you.

The opportunity to work at the most beautiful venue in the world and work along side the best and most dedicated staff in my career has been an honor.

I wanted to take a moment to thank you for your friendship, your support, and your amazing leadership. Downtown needs each and every one of you.

I will be starting a new job immediately (in fact on Thursday) at Kreate Inc, a world class international experience and events production team whose clients include Disney, The NBA, The NFL, MLB, The NHL, The US Open and other exciting businesses and organizations. Through my new opportunity I will be producing large scale festivals, VIP events and experiences world wide. I am excited and looking forward to a new chapter in my life.

I will still be involved Downtown through my charitable giving, consulting and events.

I hope we keep in touch and feel free to email me at barbarajacobsconsulting@gmail.com or at barbara@kreateinc.com.

Thank you so much,

Barbara
